

Added Peace of Mind with **Antibacterial Protection.**

Added **Safety with an Easy-to-Grip Design**

NEW

Large Antibacterial Resin Handle

**Hygienic with
Antibacterial
Protection**

A zinc-based additive offers antibacterial protection and excellent chemical resistance to common disinfectants.

External testing conducted in accordance with JIS Z 2801 confirmed an antibacterial activity value of 5.0

**Designed for
Ease of Use**

The textured grip ensures a secure, comfortable hold, while the protruding design allows easy handling.

Rounded edges provide a safe, injury-reducing design.

**Resin
Material**

Storage Cabinet

Made primarily of PP (polypropylene).

Its flexible elasticity, clean ivory color, and smooth matte texture create a soft impression unlike metal handles.
